TOGETHER WE ARE STRONG

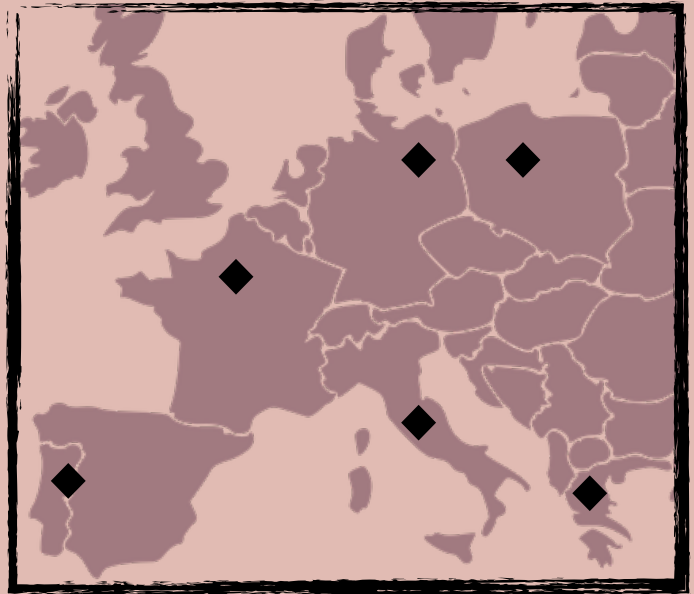

At present, unfortunately, we are all stuck at home and it is not possible to visit each other.

With the help of an app, students and teachers can 'measure' how many kilometres they have accumulated.

Together we can try to 'visit' our partner schools by accumulating a sufficient distance on the app.

We start in Ribnitz-Damgarten and then continue to 'run' together with our partners

◆ Here is a list of the places where our partner schools are located:

Ribnitz-Damgarten	Kolobrzeg, Poland	248 km
Kolobrzeg	Tourcoing, France	1031 km
Tourcoing	Alcorcón, Madrid, Spain	1447 km
Alcorcón	Trebisacce, Italy	2054 km
Trebisacce	Kavala, Greece	925 km
Kavala	Lodwar, Kenya	6865 km

5705 km
12570 km

→ You can walk, run and ride a bike. (Ferries are also allowed)
